

Google shutdown the Picasa program I was using for our photos, Google have not provided a means of sharing all Albums with one Link. This means a Link for every Album, just click on a Link below to go to that Album.

For a slideshow; Click on a photo to open it, then at the top of the page there are 3 vertical dots, left click on these and you have a choice of choosing a slideshow.

Any problems send a note to me Gordon Lindner [ghl40@internode.on.net](mailto:ghl40@internode.on.net)
